

Equality questions – a frequent health check

This is a quick health check to help you monitor your progress towards equality which we suggest completing every six months; this could also be used to support your self-assessment process and may be something you do at one of your regular team meetings. Use a RAG rating to provide an overview of your progress by shading in each box.

Key - **RED** – no progress, blocks in place, **AMBER** – some progress but need to do more, **GREEN** – fully addressed and working well

DATE	NAME	POSITION	TEAM/DEPARTMENT											
				Our attitude to equality in the organisation is positive	We have embedded equality in the planning process	We have consulted widely with people	We know what the barriers / issues to inclusion are	We are delivering on positive action	We are working with equality partners	We have identified what could be improved	We are monitoring and evaluating our progress	Insert other criteria - relevant to the plan	Insert other criteria - relevant to the plan	Insert other criteria - relevant to the plan
